

The Mission of ICTA

This group has been created to provide a way for the trucking industry and their families to know Christ and grow in their Christian life through discipleship opportunities, educational resources and seminars. Our desire is to connect commercial drivers, retired professional drivers, trucking company owners and other trucking related individuals in supporting and encouraging one another.

ICTA helps YOU by:

- Providing information on how to live a better life on the road with health and safety tips
- Providing opportunities to give back through mentoring
- Supporting you through trained chaplain professionals
- Providing a platform to share your story with the goal of guiding others
- Receiving access to the ICTA resource directory
- Connecting you to other people who have a passion for the trucking industry
