

**THE NEED:**  
**People spend more time at work than anywhere else. Just because they go to work does not mean they have left their worries at home.**  
**Anxieties crowd out focused work time.**  
**Hospital visits create mounting unpaid days off. Illness and death devastate families and burden employees with skyrocketing healthcare costs.**  
**Employers often feel that adequate support programs do not exist.**

Build caring relationships with the hope of gaining permission to share the life-changing Good News of Jesus Christ in a non-threatening manner

**The Corporate Chaplains Network takes care and compassion to the workplace, where it is needed most and where it can make a meaningful difference.**

**Our boots-on-the-ground approach to ministry through the network can care for those who need a trusted and objective friend and confidant for those who cannot bear their burdens alone anymore.**

**Our Corporate Chaplains Network employs primarily fulltime, long-term chaplains who combine workplace experience with professional chaplaincy training. Our proven success incorporates management principles that provide employee support with the greatest convenience to the CEO/Owner and with the maximum impact for the employee.**

## **PROVIDED TO YOUR COMPANY**

- \* Seamless integration of chaplains into companies, large to small and public to private
- \* A network of support for emergency needs and chaplain oversight
- \* Chaplains with branded uniform clothing consistent with your workplace environment
- \* Continuing training for chaplains
- \* Sound financial management and accountability

## **NETWORK CHAPLAINS WILL BE:**

- ♦ Trained professionals
- ♦ Relationally consistent
- ♦ Focused on their calling
- ♦ Available without limitation
- ♦ Privacy protectors
- ♦ Permission seekers
- ♦ Asking for, not requiring involvement from employees

## **WHAT DOES THIS CARE LOOK LIKE:**

- ♦ Weekly encouragement
- ♦ Crisis care visits
- ♦ Jail and court visits
- ♦ Off-site sessions to provide one-on-one support and professional referrals
- ♦ Help for addictions
