**TFC GLOBAL ...PROVIDING
MINISTRY TO THOSE MOVING
AMERICA AS WELL AS THOSE
PROTECTING AMERICA**

A Word from Our President

EVERY MINISTRY NEEDS A HELPING HAND! Especially in a time of global crisis!

I have come to realize that people don't give to ministries and nonprofits because a special day has been assigned for that purpose. Faith partners give because they believe in your mission. They stay with you because you prove yourself worthy of their trust and commitment. Transparency and dependability are key.

Many give because they personally have been blessed by the work of the ministry or nonprofit, and are responding financially so that others may be blessed as well.

Whatever the reason, we believe that God uses His people, in response to our prayers, to provide for the work He is doing through this ministry. If the Holy Spirit should lay on your heart to give to this ministry, then TFC Global wants to thank you in advance for your donation. It will be a great help in funding the resources and various outreach ministries we are providing to the trucking community. TFC Global has assembled a number of resources to help professional drivers and their families face life's moral and spiritual battles and win.

Even in a time of crisis like we are facing today, our chaplains are still ministering to the trucking community both in the US, Canada, and overseas. At our foundation is the Gospel of Jesus Christ and its power to change lives, even in the most desperate situations: divorce, addictions, financial ruin, anger, guilt, lack of confidence or trust, pornography, abandonment... the list of challenges is endless.

Without compromise the chaplains of TFC Global continue to share with the trucking community what it means to have a continuous relationship with Jesus Christ that is real and personal. Thanks again for your support of our ministry. If the Lord would lead you to give out of your resources to this ministry, visit our website by clicking [here](#).

With Faith not Fear,

Ron Fraser
TFC Global President and CEO

TFC Global Shares Ministry Opportunity: Driver Snack Packs!

The TFC Global team has been brainstorming about ways to connect our faith partners (donors) with our drivers, both those serving in the commercial trucking industry and those serving in the health care and emergency fields, who are incredibly over-worked right now due to the virus pandemic. We have come up with a project that can be done by families, small groups, church groups, community groups, and ministry teams. We would like to bless and support them by putting together healthy snack packs to be handed out to drivers wherever they can be found, while still maintaining the guidelines for social distancing already in place around the country. **On the next page you will find a shopping list and some packing guidelines that can be used for these snack packs.** The goal is to provide small, store-packaged food items that drivers can eat while on the road delivering the supplies we all so much need at this time.

Here are some additional instructions and choices:

1. Please check with any location where you would like to distribute the snack packs before handing them out, to make sure you're allowed to do it. Then email us at info@tfcglobal.org and let us know who you are blessing with these packs.
2. Safety First! Please use caution when passing out bags.
3. Contact the TFC Global FaithLife Center you support or our International Office to arrange drop off or pick up of the bags or bag items. You can find location information on our website at www.tfcglobal.org.
4. Financial support for this project can also be sent through our website at www.tfcglobal.org/give. The money will be used to purchase items and bags for the snack packs.
5. We would love to have photos of shopping, packing, and distribution of the snack packs. Photos can be texted to the Director of Communications at 612-327-5739 or emailed to joannam@tfcglobal.org. We will email you a release form giving us permission to use your photos.
6. Handwritten notes of encouragement to our drivers would be greatly appreciated. Stick a verse or note in every bag.

Thanks so much for your continued support of our ministry. Drivers are special people and now, more than ever, need our resources.

All snacks should be in the original packaging, sorry, no homemade goods. Snack packs should be packaged in a freezer weight Ziploc bag that can be handed to the driver or co-driver in the trucks or walking by at a safe distance. We must maintain a minimum of 6 feet distance per federal, state and local guidelines. Words of encouragement and/or a thank-you card could go into the bag. Limit non-perishable items.

SNACKS	FRUIT	LIQUIDS
Special K bars	Bananas	Water
Cliff, KIND, LARABAR bars	Oranges, Clementines	Flavored Water
Peanuts, Cashews, Almonds	Apples	Juice Bowl Drinks
Gum, Mints	Dried Fruit Packs	(6.75/8 oz)
Crackers, saltine or Ritz	Fruit Snacks (100% fruit)	Regular or Green Teas
Tuna or chicken in pouches		

PACKAGING DIRECTIONS

1. Use heavy duty/freezer weight, resealable Ziploc clear bags
2. Wash hands thoroughly before handling the bags and bag items; wear gloves while handling bags, both packing and distributing
3. Add a note of thanks to all of the truckers that continue moving this great country. These can be hand written or printed.

Words of Blessing and Thanks

Thanks for the update. I've heard that many of the restaurants have closed, which affects the drivers. They need their "fuel" just as their trucks do. As I was praying this morning that the virus would be defeated sooner than later, the hymn "Turn Your Eyes Upon Jesus" came to mind.

Rhodora H.

*God bless and protect
our leaders at the IO!
We as chaplains and
volunteers support
the mission of TFC
Global.*

Ken B.

(After receiving a snack pack)

Thank you for your ministry. I am a driver. If you know anything about driving OTR, you know drivers are mostly on the road. We seldom have an opportunity to stop near any shopping centers. Unfortunately we are mostly restricted to truck stops. So purchasing snacks is nearly impossible for me. My wife is in Myanmar at present. We were trying to get her visa before all this mess started. But now everything is in limbo. I hope this virus subsides soon. Thank you again for your ministry.

Gene R.

"I thank my God every time I think of you"
(Philippians 1:3). Thank you so much for all
you do in our Father's name. We continue
to uplift you all in our prayers.

Ebenezer Mennonite Church

Please use the enclosed gift to support your ongoing ministry, for whatever needs you may currently have. We wish you the best and continued success in reaching people for Christ. God Bless!!!

Mr. & Mrs. David O.

*Thanks for the great
job you guys are
doing for me and
other drivers.*

Homeboy

Hello,
This is the donation I
would have given at the
Lancaster Dinner on
March 28. Please use it
however it's most helpful.
I know your ministry
continues even in the
midst of craziness.

Sherry S.

*Hoping and praying all
of you are all as well as
we are.*

Roberta W.

*A little extra this month. I am praying
for [Chaplain David and Trisha] and
their ministry – may God continue to
protect them and give them strength,
stamina and wisdom.*

Heather

*Amen! God is in control. The God we
serve is alive and He did not give us
the spirit of fear, but of power, love and
self-discipline (2 Timothy 1:7).*

Paul

(Voicemail message)

Johnny B. was at Fuji Medical in Edison, New Jersey, and a gentleman and his wife in a white Ford pickup gave him a packet of snacks and water. He said it was quite amazing that they would take time to give him the packet and that they thanked him for his service. He was thankful for the packet and the handwritten note. It meant a lot to him.

A CALL TO PRAYER

THE TRUCKING COMMUNITY NEEDS YOUR PRAYERS.

- Pray for small companies to be able to survive the pandemic financially and emotionally.
- Pray for drivers to be alert, safe and healthy as they log many hours over the road.
- Pray for driver families to stay strong while their driver is away.
- Pray for our chaplains to stay healthy as they minister to the trucking industry all over the world.

Did you know that our TFC Global mobile app gives you the opportunity to share prayer concerns and have them brought to our Heavenly Father through the conversations of our users?

Download the app; register as a user.

Share your request. Be encouraged!

A Special Word for Our *Highway News* Friends

TFC Global can trace its roots back to 1951, and for nearly 70 years we have served the trucking community while sharing the love of Jesus. We have experienced various events, changes, and some financially hard times, but nothing like the current COVID-19 pandemic. This might have come as a surprise to us, but not to God; He is all-knowing, and is telling us to keep the faith, hold onto His Word, and encourage and edify one another. Reach out as encouragers to your friends, neighbors and acquaintances.

As news and information have evolved over the past several weeks, so have our work arrangements. We have implemented steps to provide our international office staff with a safe and flexible work environment, equipping employees with tools and technology to work from home.

Since we cannot predict the future, we are unsure if there will be a disruption in the postal service that would cause the delivery of mail to be cancelled. This would stop us from processing any donations that are mailed in. In the event we are not able to access our offices, it is imperative we use other options. If you are already one of our financial partners, we would like to request that you think about using our available electronic services to continue supporting the ministry you have been partnering with for years. If God is calling you to support our mission to the trucking community, join our team by using one of the suggested methods below.

Digital giving options include the following. All options can be set up as recurring transactions for your convenience:

1. Website: www.tfcglobal.org/give
 - * Network for Good: a software that TFC Global uses to track giving and communicate with our faith partners.
 - * PayPal: a global method of sending money to the organization of your choice.
2. Electronic Funds Transfer: a monthly withdrawal with partner-directed amount and calendar week.

In Faith not Fear,

Michael L. Hayden, Sr.
Chief Operations Officer

Check the box of your choice below:

- ☐ I/We am/are interested in online giving through the website. Please contact us.
- ☐ I/We am/are interested in giving through an electronic funds transfer each month. Please send us the forms.
